

## **ANIMA BIOTECH TO PRESENT AT BIOTECH SHOWCASE™ 2020**

BERNARDSVILLE, New Jersey, Jan. 6, 2019 – Anima Biotech, the leader in the discovery of drugs that control mRNA translation, today announced the company will present at the Biotech Showcase™ 2020, taking place in San Francisco, CA, Jan. 13 – 15, 2020.

Yochi Slonim, Co-founder and Chief Executive Officer of Anima Biotech, will provide an overview of the company's business, technology and partnering activities and will be available for questions and one-on-one meetings with attendees registered for the conference.

Details regarding the company's presentation are as follows:

**Event:** Biotech Showcase 2020

**Date:** Monday, Jan. 13, 2020

**Time:** 9:15 a.m. PT

**Room:** Franciscan C, Ballroom Level

**Venue:** Hilton San Francisco Union Square, 333 O'Farrell Street, San Francisco, CA

### **About Anima Biotech**

Anima Biotech is advancing its Translation Control Platform, the first and only platform for the discovery of small molecule drugs that control mRNA translation as a new strategy against many diseases. With novel biology that monitors the translation of proteins and proprietary cloud-based analysis software, we identify drug candidates that modulate a target protein's production. We develop a pipeline across therapeutic areas and partner with Pharma for their targets including our \$1B+ collaboration with Lilly for the discovery and development of translation inhibitors of several targets. Our approach was further validated with 5 granted patents, 14 peer reviewed publications and 17 scientific collaborations. To learn more about us, visit <https://www.animabiotech.com>
